

TURN YOUR POOL INTO IMMEDIATE FIRE PROTECTION.

FireReady™ HPS1

A portable, pool-powered home fire protection system.

USE YOUR POOL AS A WATER RESERVE.

When fire threatens, FireReady™ gives you immediate access to one of the largest water supplies on your property : your pool. Use it to knock down small fires, extinguish ember ignitions, or soak your home and defensible space.

UP TO 150 GPM

100' FIRE HOSE

GAS POWERED

POOL FED
